Frequently Asked Questions:

1. What are the material used?

All in natural stone, granite, marble, sandstone, limestone.

2. What color are available?

Please see the color scheme in the product page.

3. What are the dimensions availalbe?

J&G carved stone is highly customizable. We can carve at the dimensions preferred by you.

4. Do you custom make?

Yes, we carve stone out of your drawing & picture at nice craftsmanship.

5. Do you install?

We do not install directly. You can seek help from our distributors or other stone fabricators & contractors in your area.

6. Do you accept retail order? How will you deal with retail order?

Generally no. We sell to business. We will refer retail order to our nearest distributors.

7. What is the minimum quantity you require?

One container. If your order is less than one container.

8. What is your warrant policy?

J&G Garden Stone warrants that all carved stone items are of merchantable quality and will be replaced if defective. The client must inform the manufacturer within 7 days of delivery. We encourage pre-shipment inspection due to excessive freight costs. J&G Garden Stone does not cover any shipping costs if merchandise is returned for a full refund.

9. What is the package?

The carved stone are packed in strong sea-worthy wooden crates.

10. How about fumigation?

All wooden crates are fumigated for 72 hours before shipment. Certificate of Fumigation is provided upon request.

11. How many items can be loaded in a container?

Generally one container can load approximately 14-18MT depends on the items. The weight are estimated when you are quoted.

12. What is your lead time?

4 weeks for production, 4 weeks for the sea transportation.

13. What is your port of loading?

Qingdao, China

14. How many inventory do you require for your distributor?

Not any inventory required from us. You manage on your own your inventory level. We suggest you to make a market study to keep a suitable inventory so that you will not run out of stock for retail purchase. The lead time is 8-10 weeks. The sales season of the carved stone is on summer.

15. Do you have any other special requirement on the qualification of distributor?

We do not have qualification of general distributors. But we do have some requirement for the exclusive distributors in certain territory. If you hope to distribute J&G carved stone exclusively, please contact us for details.

16. Do you have a printed catalog?

Yes. Our catalog is only sent to business with serious interest in carved stone products.

17. How can I get more information or set the order?

Please fax, email or call us to set your order. Contact: Sales department,
